PRECONTRACT APPROVAL RECORD  
(PART TWO)

CONTRACT

The services and equipment being procured by this Contract No. \_\_\_\_\_  
DA-17 are in furtherance of the National Defense  
Program(s), the nature of which cannot be publicly disclosed for security rea-  
sons. The Contracting Officer therefore determines that this procurement must  
be accomplished by negotiations pursuant to the authority of Section 3(a) of  
PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on  
15 October 1961.

Certification of funds for this contract will be handled under the pro-  
cedure approved by the Director of Central Intelligence on 15 December 1956  
which, in effect, results in all covert expenses involving issuance of Treasury  
Checks being accumulated in a separate account within the Finance Division. The  
amounts in this account will be periodically scheduled for certification of the  
vouchers by the Director. This procedure eliminates the necessity for a sepa-  
rate certification of authority under Section 8(b) of Public Law 110, 81st Con-  
gress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the  
terms and provisions generally of this contract/amendment, and a resume of  
major issues negotiated:

Contract No. DA-17 covers the following services:

A review of projectized management and fiscal objectives,  
related responsibilities, structure and workload.

An analysis of present and future management methods,  
techniques, and fiscal controls and the presentation of recommendations  
as to alternatives, especially as these considerations might relate to  
the AFSC 375 management series and associated control procedures.
